City of North Miami Public Officials

Re: First Annual Raboday Fest

Noel & Cecibon Productions is planning on hosting its 26th Haitian Compas Festival **First Annual Raboday Fest** on **Thursday, May 16, 2024**, and today we are reaching out to you to see how you can help us make that possible.

For over two decades, the Haitian Compas Festival has prided itself in being one of the largest outdoor festivals in the United States and one of the largest Haitian music festivals in the world. We are glad to say that we have become a tradition for tens of thousands of travelers to come to Miami and celebrate Haitian Flag Day every year. Since our inception we have exposed the masses to Haitian culture, its music and food. We have brought families together to enjoy their heritage as well.

As a beacon of unity, we know the impact this huge event has on the community in a positive way. We want to foster a sense of belonging and pride in our Haitian culture, while introducing others to our history. This year we are eager to add some novelty with this First Annual Raboday Fest, but also with a remarkable collaboration with the City of North Miami we can elevate our impact.

By generously giving away 1000 tickets to the citizens of North Miami of all ages and granting two scholarships to two deserving high school students, we can truly make a difference. The festival ensures inclusivity and accessibility for all community members. These initiatives will solidify our commitment to education but will also raise awareness of the importance of supporting and investing in North Miami's future generations.

The City of North Miami has witnessed firsthand the impact that the Haitian Compas Festival has had in our community. We have been grateful to gather Haitians from every country to celebrate Haitian Flag Day. As a prominent Haitian Elected Official, your support would be truly appreciated as we continue to help promote Haiti, its culture and the heritage of more than a quarter million Haitians in South Florida and those throughout the world.

We would love to talk to you more about how you can help, please feel free to contact me at 786-251-7392 at your earliest convenience.

Best Regards,
